# 2023-24 FALL/YEARLONG COURSE SELECTION FORM

Below are the yearlong and fall term course offerings for 2023-2024.

To choose a course, circle the title, and because we cannot always schedule every first choice, please label 2nd and 3rd choices. Your choices are not final commitments but are an important step toward building you an academic schedule. Please feel free to contact me before or after you've made your choices. I am happy to discuss our offerings and advise on what would be appropriate choices. For more information on the courses, see the descriptions provided in the Course Catalog which is available at [www.solebury.org](http://www.solebury.org).
